Subject: Dimock Residential Ground Water Sampling - DRAFT Residential Radiation Data Reports for Supplemental Round 1

Attached for your review please find PDFs of the DRAFT Residential Radiation Reports for the 3 locations sampled during in May as part of the "Supplemental Round 1" sampling.

Again - we would appreciate any comments you may have on the attached reports by 5 pm tomorrow (7/19/12) at the latest (earlier, if at all possible).

While the data has been validated and is considered final, the reports are considered DRAFT until our review is completed. Please be sure to limit the distribution of these reports to an internal review as we have not yet shared the data with residents or with PADEP.

Please do not hesitate to contact me via e-mail or cell phone: Ex. 6 - Personal Privacy with any questions and/or if you need additional info.

Thank you - Kelley
